

JANUARY IS NATIONAL MENTORING MONTH

When you were growing up, was there someone in your life—a teacher, coach, relative, neighbor, friend, or boss—who encouraged you and showed you the ropes? That person was a mentor to you.

You can “pass it on” to the next generation by volunteering at a local mentoring program.

It doesn't take special skills—just a willingness to listen, offer encouragement, and share what you've learned about life.
